MISSIONARIES TO THE PHILIPPINE ISLANDS

Hello Pastor and Church Family,

This past month has brought us many joys and blessings. We had the opportunity to travel to Georgia for a family wedding. During our trip, God allowed us to present our work to several churches. One of those churches was Iglesia Bautista Fundamental Berea in Greenville, SC. Pastor Garrett and his people were such a blessing to us, and we saw the huge burden they have for missions as a church. It was my first time preaching with an interpreter, and it was an amazing experience. I believe God worked in the service, and we were honored to be invited there.

We then went to Lighthouse Baptist Church in Girard, Georgia for their Sunday morning service. We presented our work and preached. My wife also had the opportunity to sing with Pastor Weaver and his wife. That evening we attended Bible Baptist Church of Hilton Head, SC. Pastor Barber and his church were such a blessing to our family. They listened to our presentation and the message God had laid on my heart. Then, they asked us several questions related to the work we will be doing with the Marcos in Talisay. God blessed our hearts with the giving spirit of the church as well.

We finished off the month a little closer to home in Fredrick, MD at Frederick Baptist Church. It was a blessing to meet Pastor John Seay and to make a few connections there with friends and be a part of their service.

Please be in prayer for Marissa and the baby as he is due any time now. Praising the Lord, the baby is healthy and that the Lord will keep both him and Marissa safe. Thank you all for your prayers and support for us as we share our burden!

We do request continued prayer for the Marco Family, as they are waiting to go back to the Philippines. Please pray for the ministries and people of Faith Baptist Church in Talisay.

Serving the Lord with Gladness,

Nathan and Marissa Patton
