

The Patton Family

MISSIONARIES TO THE PHILIPPINE ISLANDS

Dear Pastor and Church Family,

We made it safely to the West Coast! Time has flown by as we have been in a different church every service in the month of July. Landon is doing so well adjusting to the travel schedule. He is certainly a wonderful "missionary kid" thus far.

I could not begin to list all of the churches we have had the opportunity to present in. But I will say that God has given me the privilege of presenting and preaching in many churches this month. Grateful that we got to be with my family for a short time and to have four generations of the Patton family in church. *(Bottom picture)*

A highlight from this past month was when we got to meet up with the Marco family. We have not seen their family since last spring. They are doing well, but they are anxious to return to their home. Please continue to keep the Marco family in your prayers. Bro. Marco also invited me to preach to the Faith Baptist Church on Talisay, PI via zoom. This was a brand new experience for me, but I was honored to be asked. I look forward to seeing these precious people again soon, Lord-willing.

As we have traveled through California, Oregon, and Washington this last month, we could not help but be reminded of God's amazing provision for our lives. He has answered prayers for us and given us countless blessings. We have spent time with old friends and met new friends along the way. We are at 40% of our support right now. We pray that percentage will continue to increase as the months go on.

Thank you for your faithfulness to give and your prayers for our family. God is working in our hearts through these travels to strengthen our faith. We pray that God is blessing you and your church continually.

Serving the Lord with Gladness,

Nathan and Marissa Patton
